

MORAN TO VISIT ANNUAL KANSAS STATE FAIR IN HUTCHINSON

Information Booth Available Throughout Week

HUTCHINSON - Congressman Jerry Moran will attend the annual Kansas State Fair in Hutchinson, starting next week. The 2008 Kansas State Fair will begin Friday, September 5 and last through Sunday, September 14. Each year since his election to Congress, Moran has attended the state fair in order to gather input and suggestions from Kansans to take back to Washington, D.C.

"In addition to showcasing what Kansas has to offer, the fair provides me with an opportunity to meet with people from all parts of the state to discuss current issues," Moran said. "When I return to D.C. after these discussions, I always have a fresh look at the topics most important to Kansans."

"From the volume of ticket sales and the outstanding entertainment that has been lined up, this year's State Fair is looking better than ever," said Brad Rayl, of Hutchinson, a Board Member for the Kansas State Fair. "It will also be great to see Congressman Moran. He has attended the State Fair for over a decade and it's always good to observe how many families visit his booth to give the Congressman their advice."

Moran will take part in several fair events, including the annual Kansas Farm Bureau Leadership Breakfast on the morning of Saturday, September 6.

Moran will also have an information booth available throughout the state fair with members of his staff available to answer questions and provide information to fairgoers. The booth will be located in the Pride of Kansas Building.
